# **Triestespresso Expo**

## **La fiera che ascolta i suoi espositori**

**Scegli la formula che preferisci e preparati a vivere una nuova edizione di TriestEspresso Expo più snella, più moderna e più efficace.**

**21/23 ottobre 2026**

**Trieste, Italy**

Partecipare a una fiera oggi richiede investimenti importanti.

Molte aziende desiderano mantenere uno stand personalizzato, riconoscibile e in linea con la propria identità.

Per questo abbiamo rinnovato la nostra proposta, puntando a rendere l'esperienza più agile, più flessibile e più conveniente.

## **Due formule, una sola visione: valorizzare la tua presenza:**

- 1. Stand modulare personalizzabile custom ready-made “chiavi in mano” - postazioni vicino all'ingresso delle fiera, Hall 28**
- 2. Spazio espositivo tradizionale**

### **1. Stand personalizzabile custom ready-made “chiavi in mano”**

**La grande novità della prossima edizione: stand pronti all'uso, pensati per ridurre costi e complessità operative senza rinunciare alla personalità del marchio, la grafica la scegli tu.**

#### **Caratteristiche:**

- Diverse metrature disponibili
- Configurazioni già pronte per produttori macchine caffè, trader caffè crudo per torrefattori e per l'esposizione di attrezzature di piccole e medie dimensioni
- Grafica personalizzabile su tutte le superfici principali
- Family style riconoscibile, coordinato e professionale
- Montaggio e smontaggio inclusi
- Accesso immediato allo stand al tuo arrivo

#### **Vantaggi:**

- Riduzione dei costi complessivi = Risparmi tempo e budget
- Nessuna gestione logistica = Sei immediatamente operativo
- Immagine curata e riconoscibile = Hai comunque un'immagine forte e coerente con il tuo brand
- Più tempo per concentrarti sul business

## **The fair that listens to its exhibitors**

**Choose the option you prefer and get ready to experience a new edition of TriestEspresso Expo—leaner, more modern, and more effective**

**21/23 October 2026** **Trieste, Italy**

Participating in a trade fair today requires significant investments.

Many companies want to maintain a stand that is customized, recognizable, and aligned with their identity.  
For this reason, we have renewed our offer, aiming to make the experience more agile, flexible, and cost-effective.

## Two options, one vision: enhancing your presence:

1. Customisable “turnkey” ready-made stand – positions near the fair entrance, Hall 28

2. Traditional exhibition space

### 1. Customisable “turnkey” ready-made stand

**The big news for the next edition: ready-to-use stands designed to reduce costs and operational complexity without sacrificing your brand’s personality. You choose the graphics.**

#### **Features:**

- Various floor areas available
- Pre-configured layouts for coffee machine producers, green coffee traders, roasters, and small to medium equipment exhibitors
- Customisable graphics on all main surfaces
- Recognisable, coordinated, and professional family-style design
- Assembly and disassembly included
- Immediate access to your stand upon arrival

#### **Benefits:**

- Lower overall costs → Save time and budget
- No logistical management → Be operational immediately
- Polished and recognisable image → Maintain a strong, brand-consistent presence
- More time to focus on your business
